Mary Andres Russell
Character Trainer and Coach

Mary has been facilitating character discovery seminars for the Character Council since 2001. Through her warmth and enthusiasm, Mary creates a positive, comfortable atmosphere for learning and personal development and brings awareness to this much-needed focus on good character and integrity.

Her goal through the seminars is to help others discover and nurture the best in themselves. Through the seminars and monthly writings, she has inspired thousands. In addition, she helped launch character-focused initiatives in nine schools, four pre-schools, six businesses, one chamber of commerce, one library, two faith organizations, and in three communities.
